Records of Ancient Sanskrit Literature. 11

2. All procurable unprinted lists of Sanskrit MSS. in the Native States, situate within the territories under the immediate jurisdiction of the Government of India, should be printed uniformly in octavo, in the Nagari character, and under the superintendence of a competent editor, such as Raja Rajendraiah Mitra in Bengal, Mr. Burnell in Madras, and Dr. Bihler in Bombay. Fifty copies of each list so printed will be sent to the Government of India in the Home Department, and the remainder of the edition (which need not exceed 150 copies) may be sold to the public, or otherwise disposed of as the Local Government or Administration thinks fit.

3. Competent scholars should be sent annually on tours to examine the MSS. named in the Native catalogues so printed, to seek new MSS. (especially those named in the lists of desiderata hereinafter mentioned), to enquire to Native scholars at the different places visited the objects and importance of the mission, to purchase such MSS. as the possessors are willing to sell at a reasonable rate, and to employ copyists to transcribe codices which are unique, extremely old, or otherwise desirable, but which the possessors refuse to part with. The gentlemen sent on tours will make reports to their respective Local Governments, and such reports will be transmitted to the Government of India in the Home Department. The annual expense of the several tours should be so arranged as not to exceed, in the case of each Local Government and Administration, the amount marginally noted.

4. Scholars both in India and in Europe will be invited to transmit lists of desiderata. Those in Europe will be requested to communicate with the Government of India through the Secretary of State; those in India, through the Local Governments. From the suggestions so received, general lists of desiderata will be prepared and circulated annually, and the notice of Local Governments and Administrations will be drawn to entries in the catalogues received from them which seem to refer to any work in the lists of desiderata.

5. Subjoined is a specimen form in which, as far as possible, notices of MSS. ascertained to exist may be prepared. Quarterly lists of the MSS.
